

Paul Ernest Knight

18 Oct 1984
Paul Ernest Knight, 98, died Wednesday October 10, 1984. Mr. Knight was born in a log, dirt roofed home on September 28, 1886. His parents were James Alexander and Isabell Lark Knight of Woodland, Summit County, Utah. He was the seventh child in a family of

seven boys and four girls. The Knight family was well-known in both the beef cattle and

dairy business as well as horse raising and breeding. Ern was engaged in the industry for over sixty years. He retired in the mid-1960s turning the farm operation over to two of his sons. In 1975 he and his wife, Hazel, moved to Heber City.

On September 11, 1918 Ern married Hazel Kezia Carlile of Heber in the Salt Lake LDS Temple. Hazel died January 31, 1976. They had been married fifty-eight years.

Ernest has always been active in the LDS Church. He was baptized in the Provo River on September 1, 1897. He served in many positions throughout his life including bishoprics and various ward and stake level assignments. At the time of his death he was a High Priest in the Heber 6th Ward.

Education was important to the Knight family. Ern attended elementary and secondary schools in Summit County and four years at the Brigham Young Academy in Provo where he graduated in 1910. While there he helped build the block Y on the mountain east of Provo. He taught high school for a time in Kamas. All three of his sons attended Utah State Agricultural College.

Public service was another important part of Ern's life. He was a World War I Veteran and an early member of the Kamas Valley Lions Club. He served as chairman of the Summit County AAA during the Franklin D. Roosevelt Administration. Ern also held the position of chairman of the Kamas Valley Soil Conservation District for

sixteen years. He was State Road supervisor in the Woodland area as well.

Ern was one of the original members of the Hi-Land Dairy men's Association and as an organizer of Hi-Land Dairy he served on the Board of Directors for fifteen years. He also helped initiate the annual Kamas Valley Livestock Show and was president of that organization numerous terms. He also was one of the organizers of the Kamas Valley Feed Coop and was a long time member of the Utah State Farm Bureau.

One area of agriculture in which Ern was very well versed was that of water. Beside his involvement with the Woodland Water Works (culinary), he served as an officer, advisor, or board member in several irrigation organizations. He was president of both the Sunrise Irrigation Company and the South Kamas Irrigation Company and was Assistant Provo River Water Commissioner. He was for many years involved with the Provo River Water Users Board. Ern always had a deep interest and concern in rights and fair distribution of water.
